WELCOME

Falls Ride is the public transportation system for the City of Wichita Falls. Buses travel along seven routes which are distributed geo-graphically across the City. Transfer hubs are located at Sikes Senter Mall and at 4th and Scott, near MPEC. Service is provided Monday through Saturday. The times for weekdays and weekends are listed on the individual route schedules, located in this booklet.

Falls Ride offers a safe, reliable, and affordable transportation alternative for the citizens of Wichita Falls. It is our goal to provide this service in a courteous, and professional manner.

Falls Ride is operated by the City of Wichita Falls, and we welcome your suggestions and comments about our transit system. Please call us at 761-7433 if we can be of assistance to you in any way. Look us up on the Web at www.fallsride.com!

HOW TO RIDE

Buses pick up passengers only at designated stops that can be identified by bus stop signs. Arrive at your pick up point at least 5 minutes before the scheduled departure time. Signal the driver by waving your arm.

When the bus approaches, look at the route color and name located above the windshield to make sure you are boarding the correct bus. If you're not sure, ask the driver. Have your fare or pass ready to deposit. When the bus comes to a complete stop, wait for passengers to exit before boarding. Place your money into the fare box or hand your pass/transfer to the driver for verification before taking a seat. Drivers are not allowed to handle fares or make change.

Ask the driver for a transfer if your trip requires you to ride a second bus. The transfer is good for one hour from the time it is issued. Give the transfer to the driver of the second bus you board. When the bus is approximately one block away from your stop, push the signal strip located beside the window, or verbally inform the driver. Remain seated until the bus comes to a complete stop and then exit through the door.

Be sure you have all your belongings with you. It is recommended you wait on the curb until the bus has pulled away before attempting to cross the street. Never cross in front of or behind a standing bus.

SERVICES

Falls Ride operates a route deviation system available to qualifying disabled passengers who because of their disability, may not be able to get to a regular route bus stop. Under this system, buses will deviate for a distance of up to ¼ mile from the regular route to pick-up or drop-off qualifying passengers. This is a "curb to curb" service.

Reservations must be made 24 hours in advance. Service is available Monday through Friday from 5:00am till 7:30pm, and Saturday from 10:00am till 5:30pm.

For more information, or to request a pick-up/drop-off, please call 761-7433, Monday through Friday, from 8:00am - 11:00am and from 12:00pm - 4:30pm, and speak with our scheduling agent.

THE GROCERY CART

Falls Ride offers a subscription service to individuals 60 years of age and older or those with certified disabilities, that allows the passenger to be picked up at their residence and dropped off at a grocery store, to buy groceries. The bus waits until all passengers have had time to make their purchases, and then loads everyone up for the return trip to their residences.

This service is offered on a first come first serve basis, and reservations must be made in advance for the day the passenger wishes to travel. The cost of this service is \$2.00 for the round trip. The trips are scheduled for

Tuesday, Wednesday, and Thursday of each week, and the bus begins picking up passengers at 9:00am. To make a reservation for a grocery cart run, please call 761-7433 and speak with our scheduling agent.

NO HOLIDAY SERVICE

TRANSIT HISTORY

Public transportation services have been available to the residents of Wichita Falls since 1909. In its beginnings, rail was the primary form of transportation within the city. In 1935, street cars were discontinued and buses were introduced.

Until 1950, the bus lines were managed by Wichita Transit Company. The system was then handed over to Wichita City Lines (National City Lines), and was owned and operated by the private company. In 1971, the City of Wichita Falls assumed ownership and operation of the service and changed the name to Wichita Falls Transit System (WFTS). In 2008, the City of Wichita Falls approved a new transit system and adopted Falls Ride as the new name.

READING A SCHEDULE

One weekday afternoon you decide to leave the Wichita Falls Public Library to travel to Castaway Cove Water Park for the remainder of the afternoon. Turn to the system map and find the route(s) that travels nearest to the Library and the Water Park. This trip is best served by the BLUE EASTSIDE ROUTE. The schedule includes a map of the route. The map shows the names of the streets traveled along the route as well as the direction the bus travels on these streets.

In this example you would board the bus at the Library, which is a scheduled stop at the 7th minute of every hour. You would need to get off the bus at the Water Park, which is a bus stop but does not have a specific time of arrival.

Reading across the top row, you will find the names of the key designated stops along the route. Read down the column beneath Public Library, choose the most convenient departure time, perhaps 12:07 PM. Now read directly across from 12:07 PM, you will not find a time the bus arrives at the Water Park since it is not a scheduled stop. The next nearest scheduled stop is at US 287 at Wayfarer at 12:42, one stop after passing the Water Park. The bus will stop at the Water Park, and you can assume you will arrive a few minutes before 12:42.

One of the simplest rules for using timetables is to read down for departure times, across for arrival times. In some cases, when you are not getting on or off the bus at a scheduled stop, you will need to add or subtract a few minutes to the listed time of the closest key designated stops you will board or get off the bus.

Additional route and schedule information can be obtained by calling one of our information tellers at 761-7433.
